THE CHEF'S PERFECT SANDWICH

Fried truffle bologna, grilled onions,
American cheese, buttered bread 12

This house made truffle bologna sandwich is made just like my mom made for me when I was a little boy growing up right here in the Midwest. She would fry the bologna in a pan and place it on grilled onions with American cheese on butter bread. My mom always took a bite out of my sandwich; I will try not to eat any of yours.

-Executive Chef, Jack J Delby
