

Leganto Screenshots of upcoming User Interface Changes

Cleaner layout

Moving from this:

To this:

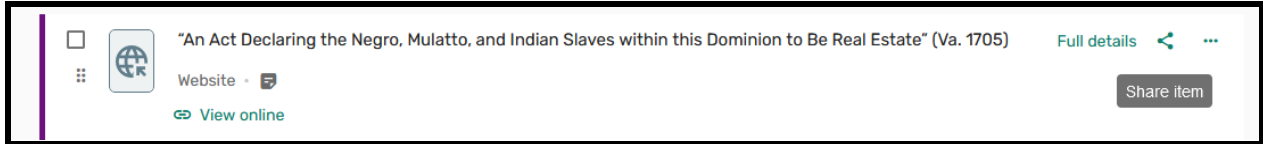

More Options Menu

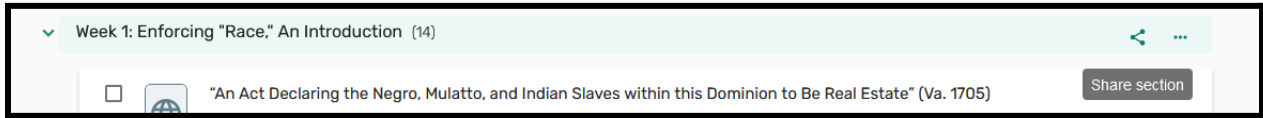

The More Options menu has some significant changes:

- “Copy to My Collection” has been renamed to “Save as Favorite”;
- “Add to clipboard” has been removed;
- “Copy citation” renamed “Copy item”;
- Move citation” renamed “Move item”;
- After the list is published, any further changes will be automatically sent to the library. Previously the 'Send to Library' button had to be clicked;
- Each section and citation as the ability to create a shareable link.:

Citation shareable link:
